ABOUT MYSELF

Results-oriented Front-End Developer with a proven track record of creating engaging, high-performance web applications. Proficient in JavaScript, React.js, and modern front-end technologies. Committed to staying updated with industry trends and best practices. Seeking a challenging role where I can contribute my skills and passion to a dynamic team.

SKILLS

Front End (Html, Css, JQuery , Bootstrap , Javascript , React js) / GItHub / Python Language - Basic knowledge / c++ / redux toolkit / gsap / framerMotion / postman / AuthwithJWT / Axios

WORK EXPERIENCE

Pixarsart Studios – lahore, Pakistan

City: lahore | **Country:** Pakistan

Junior React Js Developer

[01/01/2025 – 03/03/2025]

I worked as a React.js Developer at Pixarsart, where I developed and maintained the company's official website with a focus on responsive, user-friendly design. I contributed to key projects like the GMCI Dashboard, integrating RESTful APIs and building dynamic UI components, and Elevated Iron, enhancing front-end performance and features. I collaborated closely with designers and back-end developers to ensure seamless application delivery.

Intern at Dynamic Developers – Lahore, Pakistan

City: Lahore | **Country:** Pakistan

Front End Website Developer

[10/08/2023 – 10/10/2023]

Developed and customized the Swift Trucking Dispatch company website and multiple mini projects using HTML, CSS, jQuery, Bootstrap, and React JS during an internship at Dynamics Developers. Acquired practical experience in building responsive and interactive web pages aligned with industry standards.

Intern at DigitsCom Technologies – Lahore, Pakistan

City: Lahore | **Country:** Pakistan

Web Developer

[01/05/2022 – 30/09/2022]

Developed and customized SFRA clone pages, Digiskills Clone, Saylani Welfare website, and Techlead Clone 4.0 using HTML, CSS, jQuery, and JavaScript during an internship at DigitsCom Technologies. Gained hands-on experience in creating responsive and interactive web pages following industry standards.

EDUCATION AND TRAINING

Bachelor of Science in Computer Science

University of Engineering and Technology, Lahore [15/09/2020 – 15/05/2024]

City: Lahore | **Country:** Pakistan
